Q.

Good afternoon. We signed into the pre-bid meeting with our sister - company Tuttle Construction. Will this present an issue bidding as Touchstone if the prebid shows we were there as Tuttle Construction?

A.

By asking this question, we are aware that you will be bidding as Touchstone although you signed in using the name of your sister company. So noted and this will not be an issue with the City.

Q.

I wanted to inquire about the expected timeline for the upload of the sign-in sheet for this project. Could you kindly provide an update on when it will be available?

A.

The Sign In Sheet for the PreBid Meeting held on 12-20-24 is now attached under the "Addenda" heading. The entire Addendum No. 1 will be forthcoming.
